From Bournemouth and the West (Map 1)

The easiest route is to leave the M27 at Junction 5 and take the fourth exit at the roundabout onto the A335 to Southampton, and then follow the directions above.

Alternatively (this route is not shown on the map), leave the M27 at Junction 3. Take the first exit onto the M271 (northbound) and at the first roundabout take the second exit onto the A4037 towards Romsey. Turn right at the junction with the A27 and follow the road through North Baddesley. After leaving North Baddesley, the entrance to Southampton Science Park is approximately two miles further along, on the right.

Once you have reached Southampton Science Park (Map 2)

Once you have turned into Southampton Science Park, you are now on University Parkway. There are three speed bumps in the road, which winds through the park passing the Merck building on your right.

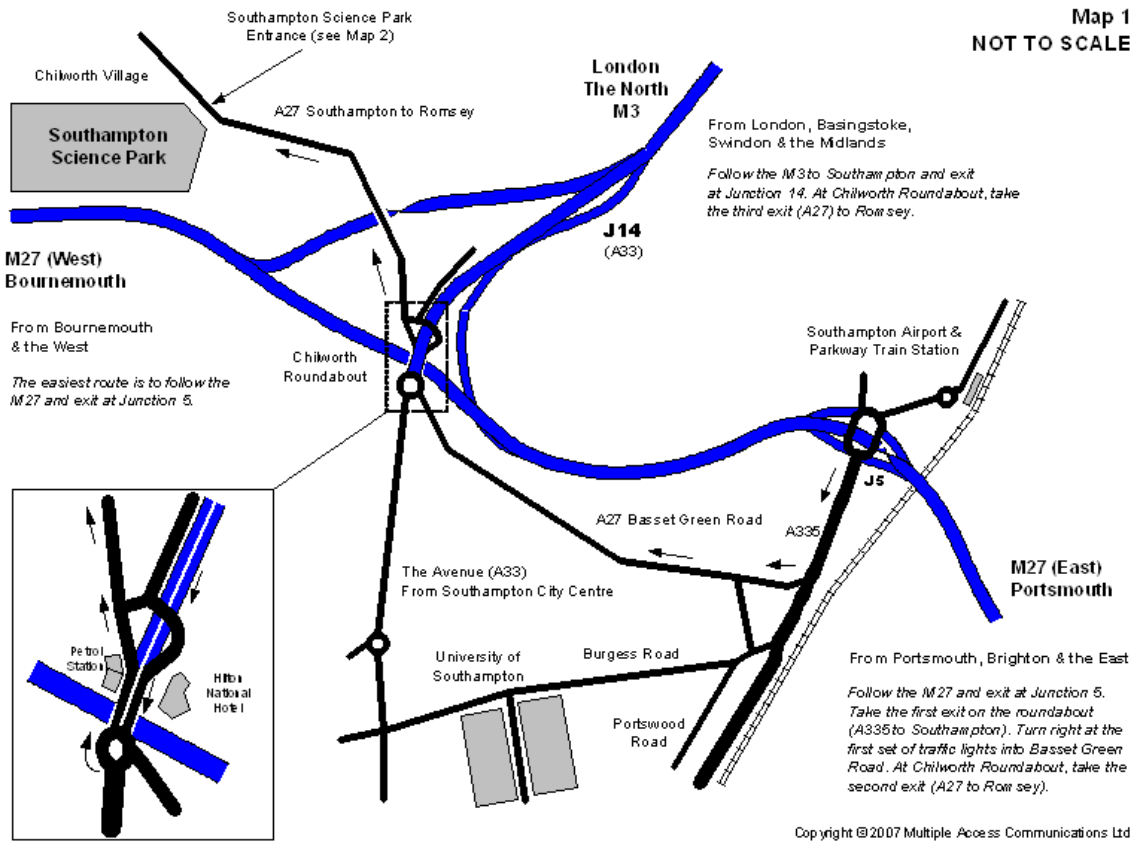

First left off University Parkway is Venture road, and the second left is **Enterprise Road**.

Turn left into Enterprise Road and take the first turning on the right into the car park. Visitors can use any unmarked bay. Delta House entrance can be found by continuing along Enterprise road to the next traffic island. Delta House is on the right.

Take the stairs to the first floor, where the entrance to Reception is clearly marked. Press the door bell for attention.

Alternative parking can be found by continuing along Enterprise Road and either utilising any bay marked "MAC" or any unmarked bays.
